世界華商大會自 1991 年創辦以來，始終秉持“促進交流，推動合作，共同發展”的理念，至今已成為全球華商加強聯繫、共謀發展的重要平台。澳門中華總商會十分榮幸獲得第十八屆世界華商大會的主辦權，接過這一接力棒，承載著歷屆大會的豐碩成果與殷切期望，我們深感使命光榮、責任重大。

第十八屆世界華商大會定於 2025 年 11 月 2 日至 4 日在澳門隆重舉行。回望申辦大會落戶澳門以至籌備大會的整個過程，都離不開澳門特區政府、澳門中聯辦的大力支持和鼓勵；同時特別感謝世界華商大會召集人組織包括香港中華總商會、新加坡中華總商會、泰國中華總商會對我們的高度信任和指導工作，以及世界華商大會顧問委員會各商會的全力支持。

當今世界正經歷百年未有之大變局，中央提出構建以國內大循環為主體、國內國際雙循環相互促進的新發展格局，以應對百年未有之大變局所帶來諸多不確定性的影響。澳門作為國內國際雙循環的交匯點，回歸祖國以來，澳門發揮“一國兩制”的制度優勢，加快落實“一中心、一平台、一基地”的發展定位。現時澳門具有世界文化遺產、創意城市美食之都、最佳亞洲會議城市、東亞文化之都、全球擁有福布斯五星級酒店數量最多的城市等多張亮麗名片。

本屆大會落戶澳門舉行，正好發揮澳門優勢，強化內聯外通，深化國際交往合作，在國家高水平對外開放中更好地發揮澳門作用；同時向全球華商以及內地工商界人士展現澳門四百多年中西文化歷史、回歸祖國近二十六年以來取得的發展成就，藉此講好中國故事、澳門故事，令澳門國際大都市的“金名片”擦得更亮麗。

2013 年，國家主席習近平提出構建人類命運共同體理念。如今，人類命運共同體理念持續深入人心，先後寫入《中國共產黨章程》、《中華人民共和國憲法》，也陸續寫入聯合國、上海合作組織等多邊機制重要文件，深遠影響著中國和世界的發展。本屆世界華商大會以“共商共築華商命運共同體”為主題，既是呼應時代號召，也是集結華商智慧，為推動構建人類命運共同體貢獻華商力量。

本屆大會設置主旨論壇、專題論壇、商務洽談、商務考察等環節，論壇主題深入探討如何通過澳門平台，促進全球華商參與大灣區建設，並聚焦澳門正積極推動“1+4”多元產業；組織華商參觀本地綜合旅遊休閒企業，以及到粵港澳大灣區、橫琴粵澳深度合作區了解產業發展情況。期望讓各地華商從中發掘新機遇，共創共贏新未來。

華商聚澳譜新篇，盛世蓮花放光芒。本會衷心希望來自世界各地的華商領袖、企業家和各界嘉賓在澳門期間，在共商合作的同時，感受濠江魅力。最後，預祝第十八屆世界華商大會圓滿成功、再創佳績！讓我們共同書寫更精彩的華商新篇章！

Since its inception in 1991, the World Chinese Entrepreneurs Convention has steadfastly upheld the principle of “promoting exchanges, enhancing cooperation, and fostering joint development”. It has grown into an important global platform for Chinese entrepreneurs to strengthen ties and pursue common development.

The Macao Chamber of Commerce is greatly honored to be entrusted with hosting the 18th World Chinese Entrepreneurs Convention. Taking up this relay baton and carrying the fruitful achievements and earnest expectations of previous conventions, we are fully aware of the honour of this mission and the weight of this responsibility.

The 18th World Chinese Entrepreneurs Convention will be grandly held in Macao from November 2nd to 4th, 2025. Looking back at the entire process from the successful bid for the convention to its preparation, it has relied on the strong support and encouragement of the Macao SAR Government and the Liaison Office of the Central People’s Government in the Macao SAR. We would also like to extend our sincere appreciation to the convening organisations of the World Chinese Entrepreneurs Convention, including the Chinese General Chamber of Commerce, Hong Kong, the Singapore Chinese Chamber of Commerce & Industry, and the Thai-Chinese Chamber of Commerce, for their profound trust and guidance. Additionally, we would like to acknowledge the Advisory Committee of the Convention and all participating chambers for their wholehearted support.

The world today is undergoing profound changes unseen in a century. The Central Government has proposed to establish a new development pattern that takes domestic circulation as the mainstay, with domestic and international dual circulations mutually promoting each other, to address the many uncertainties brought about by these unprecedented transformations. As a key intersection of domestic and international dual circulations, Macao has, since its return to the Motherland, leveraged the institutional advantages of “One Country, Two Systems” to accelerate the implementation of its strategic positioning as “One Center, One Platform, One Base”. At present, Macao proudly boasts an array of international credentials, including World Heritage Site, a UNESCO Creative City of Gastronomy, recognition as the Best Conventions Destination (Asia) at the M&C Asia Stella Awards, the title of Culture City of East Asia, and the city with the largest number of Forbes five-star hotels in the world.

This year’s convention, being held in Macao, will fully capitalise on Macao’s advantages, strengthen connectivity between the domestic and international arenas, deepen exchanges and cooperation, and enable the city to better serve the nation’s high-level opening-up. It will also offer global Chinese entrepreneurs and mainland business leaders an opportunity to experience Macao’s over four centuries of East-West cultural history, along with the remarkable achievements attained since its return to the Motherland nearly 26 years ago. Through this, we aim to tell China’s story and Macao’s story well, while polishing the “golden business card” of Macao as an international metropolis to shine even brighter.

In 2013, President Xi Jinping proposed the vision of building a community with a shared future for mankind. Today, this vision has deeply resonated with the global community, having been written into the Constitution of the Communist Party of China and the Constitution of the People’s Republic of China, as well as incorporated into key documents of multilateral mechanisms such as the United Nations and the Shanghai Cooperation Organization, profoundly influencing the development of both China and the world.

The theme of this year’s Convention, “Working Together to Build a Community of Shared Future for Chinese Entrepreneurs”, is both a response to the call of our times and a rallying of Chinese entrepreneurs’ wisdom, contributing the strength of Chinese entrepreneurs to the advancement of a community with a shared future for mankind.

This edition of the convention will feature a plenary session, thematic forums, business matching, and business excursions. The forum topics will delve into how the Macao platform can facilitate the participation of global Chinese entrepreneurs in the development of the Guangdong-Hong Kong-Macao Greater Bay Area, whilst focusing on Macao’s active promotion of the “1+4” diversified industries model. Delegates will be invited to visit local integrated tourism and leisure enterprises, as well as venture into the Greater Bay Area and the Guangdong-Macao In-Depth Cooperation Zone in Hengqin to better understand industrial development. We hope that Chinese entrepreneurs from all regions can discover new opportunities therein and jointly create a future of shared success.

Chinese entrepreneurs gathering in Macao shall compose a new chapter; in this prosperous era, the lotus in full bloom radiates brilliance. We sincerely hope that during their time in Macao, the Chinese business leaders, entrepreneurs, and distinguished guests from around the globe, whilst forging cooperation and partnerships, will also savour the charm of the City of the Lotus.

We conclude by extending our best wishes for the 18th World Chinese Entrepreneurs Convention to achieve resounding success and lead to even greater achievements. Let us unite resolutely to author a more splendid new chapter in the annals of the Chinese business community!

世界華商大會歷史

History of World Chinese Entrepreneurs Convention

自 19 世紀末期，華人紛紛離開中國大陸以來，目前華人幾乎已遍佈世界的各個角落，他們大多數在僑居地建立小規模商業，其中有些華商的業務已擴大或已多元化，有些更成為商業王國，擁有跨國的產業。

雖然華人企業家的勤奮與智慧享譽全球，然而仍需一個平台，彙集眾多著名華人企業家之所言所長。因此，新加坡中華總商會首創主辦世界華商大會，向全世界的華商和工商界提供加強經濟合作、促進相互瞭解的論壇，作為非政治論壇，其任務集中在適合於華商的經濟和文化的論題上。

第二屆世界華商大會於 1993 年 11 月在香港舉行，第三屆世界華商大會則於 1995 年 12 月在泰國曼谷舉行。大會已成為全球華商兩年一度之盛事，旨在建立一個世界華商經濟聯繫的網絡，至今已在加拿大、澳洲、中國南京、馬來西亞、韓國、日本、菲律賓、中國成都、印尼、緬甸、英國等國家及地區舉辦了 17 屆“世界華商大會”。

1993年第二屆世界華商大會後成立召集人組織，成員包括：新加坡中華總商會、香港中華總商會、泰國中華總商會。召集人組織旨在大會休會期間，處理一切大會有關事宜。

1999年10月，召集人組織宣佈成立“世界華商大會秘書處”，確保每兩年一度的華商大會協調及策劃等的持續性。秘書處由3家召集人組織成員輪流擔任，1999年10月至2005年由新加坡中華總商會擔任首任秘書處，香港中華總商會於2005年至2011年期間擔任第2任秘書處，泰國中華總商會於2011年至2017年擔任第3任秘書處，新加坡中華總商會則在2017年至2023年擔任第4任秘書處，現任秘書處為香港中華總商會。

為了集思廣益，全面總結經驗，更好地推動世界華商大會品牌發展，進一步促進世界華商團結合作，2011年10月，經世界華商大會三家召集人組織研究決議，成立世界華商大會顧問委員會，邀請曾主辦過世界華商大會的商會代表擔任顧問委員會顧問。顧問會每年召開一次會議，至今已召開過9次會議。

每兩年一度的世界華商大會至今已舉辦了17屆，每屆均各有其特色，已成為全球華商之盛事。

The end of the 19th century saw a widespread emigration of ethnic Chinese to all parts of the world. In the beginning, many developed small enterprises in their country of adoption. Gradually, some expanded or diversified into conglomerates, while others succeeded in building empires with multinational interests.

Although Chinese entrepreneurs are well-known for being hard-working and energetic, there had never been an attempt to bring them together under one platform. The World Chinese Entrepreneurs Convention (WCEC) was first conceptualised and organised by the Singapore Chinese Chamber of

Commerce & Industry to provide a forum for overseas Chinese entrepreneurs to enhance economic cooperation and promote better understanding among overseas Chinese entrepreneurs and business communities worldwide. Being apolitical in nature, its mission is to focus on economic and cultural issues pertaining to Chinese entrepreneurship.

The potential generated by such convention is boundless. It is an important channel to build up economic relations and amass the strength of Chinese entrepreneurs globally with the ultimate goal of establishing a business cooperation network.

The WCEC is an important biennial event for Chinese entrepreneurs around the globe, aimed at establishing an economic network linking Chinese entrepreneurs worldwide. The three Founder Members of the Convention are, namely, Singapore Chinese Chamber of Commerce & Industry, The Chinese General Chamber of Commerce, Hong Kong and Thai-Chinese Chamber of Commerce. They will handle all matters related to the Convention when it is not in session.

There have been 17 WCECs held so far. Each made its mark with distinguishing features and left participants with unforgettable memories.

澳門中華總商會歷史

History of Macao Chamber of Commerce

1913年“澳門商會”成立，於1916年正式定名為“澳門中華總商會”，並於2023年迎來成立110周年華誕。多年來，在商會領導層同人及會員們的共同努力下，並在社會各界的支持下，會務不斷發展，影響日益廣泛。澳門中華總商會一直致力工商服務工作，維護工商界正當權益，參政議政及參與公共事務，亦積極投身社會福利和社會服務工作。

澳門特區政府為表彰中總百年來積極關心社會、支持慈善和教育事業；為澳門經濟發展，社會和諧穩定所作的貢獻。先後於2002年及2012年向本會頒授“工商功績勳章”及“金蓮花榮譽勳章”。

本會下設總務部、聯絡部、文康部、工商事務部、財務部、交際部、策略研究委員會、青年委員會、婦女委員會、中總參與粵港澳大灣區建設工作委員會等部門。而為了配合新形勢發展，本會於2022年12月在橫琴設立廣東辦事處，為工商界“引進來、走出去”提供服務，助力橫琴深合區高質量建設。此外，中總還有三個附設部門，包括閱書報室（又名“八角亭”）、商訓學校、青洲中學，為本澳的文化、教育等事業貢獻力量。

百年來，澳門中總一直積極關心、參與澳門各項社會事務。目前，澳門中總相關負責人員在特區行政會、立法會以及相關諮詢委員會、工作委員會中擔任重要職務。

澳門中華總商會歷史

History of Macao Chamber of Commerce

Before Macao's return to China, the Chamber acted as a bridge between the local Chinese community and the Macao-Portuguese authorities, playing a significant role in ensuring Macao's smooth transition and its peaceful return to the motherland.

After Macao's return, with the strong support of the Central Government, the Macao SAR government has governed lawfully, leading Macao's citizens to overcome various challenges and make steady progress in developing the Special Administrative Region. The Chamber, as a representative of Macao's business community, has fully embraced new circumstances, capitalising on its extensive external networks to promote Macao's economic diversification and drive regional co-operation.

In recognition of the Chamber's contributions to social welfare, charity, and education, as well as its role in Macao's economic development and social stability, the Macao SAR government awarded the Chamber the "Medal of Merit – Industry and

Commerce" in 2002 and the "Decoration of Honour – Golden Lotus" in 2012.

Through the series of events celebrating the Chamber's 110th anniversary in 2023, the Chamber has seized the opportunity to assess the post-pandemic economic development. With a strong sense of responsibility and urgency, it has been striving forward to accelerate economic recovery. The efforts included supporting the Macao SAR government's economic revitalisation initiatives, organising various activities to boost domestic consumption and promote local economic development, and hosting over 200 overseas and local business delegations at the Chamber's anniversary banquet to strengthen ties with chambers of commerce at home and abroad. A "Belt and Road" forum was also organised to reinforce Macao's role as a platform and contribute to the Belt and Road Initiative. Additionally, the Chamber conducted research into the economic development of the

northern district and has held consumer carnivals, playing its part in the post-pandemic recovery of Macao's social and economic sectors.

The Chamber will continue to fully implement the spirit of the 20th National Congress of the Communist Party of China, supporting the Macao SAR government in lawful governance, leading the business community, consolidating the business community's strength and working closely with the government to optimise the business environment and promote local economic development. It will tackle the challenges posed by imbalances in recovery and development affecting the business sector. The Chamber will remain committed to participating in the construction of the Greater Bay Area and the Co-operation Zone, maximising the role of the Guangdong office. The Chamber will also fully support the Chief Executive election, adhering to the "patriots governing Macao" principle, promoting the "1+4" economic diversification development strategy, and actively integrating into the national high-quality development agenda.

The success in securing the 18th World Chinese Entrepreneurs Convention in 2025 is a major milestone for both the Chamber and Macao. The Chamber will work diligently to make this global conference a success, promote Macao's story, and accelerate appropriate economic diversification, ensuring the continued success of the practices of the "One Country, Two Systems" and contributing to the celebration of the 76th anniversary of the founding of the People's Republic of China and the 26th anniversary of Macao's return to the motherland.

大會議題

Convention Theme

第十八屆世界華商大會以“共商共築華商命運共同體”為主題，突顯全球華商團結互助、共同發展的重要理念。在世界經濟格局深刻變革的關鍵時期，澳門作為連接中國內地與國際市場的重要平台，將發揮其獨特優勢，助力全球華商把握粵港澳大灣區發展機遇。

粵港澳大灣區作為全球最具活力的經濟圈之一，匯聚了香港國際金融中心、深圳創新科技樞紐、廣州商貿物流基地等優勢資源，並擁有超過 8,600 萬人口的龐大市場。區內建設國際科技創新中心、現代化產業體系、高水平開放型經濟新體制等重大發展規劃，為全球華商提供了廣闊的發展空間。

本屆大會將深入探討如何通過澳門平台，促進全球華商參與大灣區建設，在 1+4 產業：大健康、現代金融、高新科技及會展商貿等領域開展深度合作。同時，借助澳門在“一帶一路”建設中的獨特作用，推動華商企業在更大範圍、更寬領域、更深層次實現互聯互通，構建華商命運共同體，共創共贏新未來。

The 18th World Chinese Entrepreneurs Convention, themed "Working Together to Build a Community of Shared Future for Chinese Entrepreneurs," underscores the fundamental principles of solidarity and collaborative development within the global Chinese business community. In this era of transformative global economic restructuring, Macao stands as a strategic gateway between mainland China and international markets, positioned to leverage its distinctive advantages in facilitating access to the unprecedented opportunities within the Guangdong-Hong Kong-Macao Greater Bay Area.

The Greater Bay Area represents one of the world's most economically vibrant regions, strategically integrating Hong Kong's prominence as an international financial hub, Shenzhen's leadership in technological innovation, and Guangzhou's excellence in commerce and logistics. With a substantial consumer base exceeding 86 million residents, the region's comprehensive development framework encompasses the establishment of an international innovation and technology center, implementation of a modernized industrial system, and creation of a sophisticated open economic framework, presenting unprecedented opportunities for global Chinese entrepreneurs.

This prestigious convention will facilitate in-depth discussions on maximizing Macao's strategic platform to enhance global Chinese entrepreneurial participation in the Greater Bay Area's development. Emphasis will be placed on fostering strategic collaborations within Macao's "1+4" key industries: "Big Health" Industry, Modern Financial Services, Advanced Technology, convention and exhibition, sports, and the commercial and trade industries. Additionally, by capitalizing on Macao's strategic position within the Belt and Road Initiative, the convention seeks to catalyze expansive, multifaceted, and profound interconnectivity among Chinese enterprises worldwide, thereby strengthening the collective prosperity of the global Chinese business community and fostering sustainable mutual growth.

Macao Chamber of Commerce Visits Japan and Korea to Promote World Chinese Entrepreneurs Convention

全國政協委員、澳門中華總商會理事長馬志毅率領一行六人的訪問團，於二月十六日至二十日赴日本東京、韓國首爾訪問，先後拜訪了中國駐日本國大使吳江浩、日本中華總商會會長蕭敬如、中國駐大韓民國大使戴兵、韓國中華總商會會長袁國棟，藉此宣傳澳門的最新發展和獨特優勢，以及邀請日本中總、韓國中總組團參加由澳門中總於今年十一月二日至四日在澳門舉行的第十八屆世界華商大會。澳門中總常務理事李俊鳴、何嘉倫、潘耀榮、劉智龍，秘書江夫育參團出訪。

訪問期間，馬志毅先後拜訪各單位負責人時，均表達了新春佳節的美好祝福，並感謝各單位負責人盛情接待，以及詳細介紹了澳門社會和經濟的情況和澳門中總的會務近況。他指出，去年澳門當選為“2025年東亞文化之都”，又增添了一張亮麗的“金名片”。“東亞文化之都”是落實中日韓三國領導人會議精神，由三國共同發起的亞洲第一個國際文化城市命名活動，是中日韓人文領域的重要成果和東亞區域文化合作專案。在此背景下，澳門中總訪問日韓，具有特別意義。

馬志毅表示，去年底國家主席習近平親臨澳門視察，並對澳門提出了“四點希望”，當中一點是“著力打造更高水平對外開放平台”，用好中西薈萃的文化優勢，促進國際人文交流，講好澳門故事、中國故事，打造中西文明交流互鑒的重要窗口。澳門中總冀進一步加強與日韓兩國商會的交流聯繫，講好澳門故事、中國故事，以民間力量促進更廣泛、多領域的合作共贏，推動澳門經濟適度多元發展，助力澳門打造更高水平對外開放平台。

Frederico Ma, member of the CPPCC and President of the board of directors of Macao Chamber of Commerce, led a six-member delegation to visit Tokyo, Japan and Seoul, South Korea from February 16th to 20th. They paid visits to Wu Jianghao, ambassador of the embassy of the people's

republic of China in Japan, Xiao Jingru, chairman of Chinese chamber of commerce in Japan, Dai Bing, ambassador of the Embassy of the people's republic of China in the Republic of Korea, Yuan Kuotung chairman of Korea Chinese chamber of commerce & industry. The visits aimed to promote Macao's latest developments and to invite the Japanese and Korean Chinese Chambers of Commerce to form delegations to participate in the 18th World Chinese Entrepreneurs Convention, which will be held in Macao from November 2nd to 4th this year by the Macao Chamber of Commerce. The delegation included Standing Directors Alberto Lei, Francisco Ho, Irwin Poon, Lao Chi Long, and Secretary Kong Fu lok.

During the visits to various organisations, Frederico Ma extended Chinese New Year greetings, expressed gratitude for their warm hospitality, and provided detailed updates on Macao's social and economic situation as well as recent developments of the Macao Chamber of Commerce. He pointed out that Macao's selection as the "Culture City of East Asia 2025" last year has added another prestigious "golden business card" to its credentials. The "Culture City of East Asia" is Asia's first international cultural city designation program jointly initiated by China, Japan, and South Korea, implementing the essence of the trilateral leaders' meeting. It represents a significant achievement in cultural exchanges among the three countries and serves as an important East Asian regional cultural cooperation project. The Macao Chamber of Commerce's visit to Japan and South Korea carries special significance under the framework.

Frederico Ma noted that during President Xi Jinping's visit to Macao last year, he expressed "four hopes" for Macao, one of which was to "strive to build a higher-level platform for opening up." This involves leveraging Macao's unique advantage as a platform between Chinese and Western cultures, promoting

international cultural exchanges, effectively telling China's and Macao's stories, and creating an important window for exchange and mutual learning between Eastern and Western civilisations. The Macao Chamber of Commerce hopes to further strengthen exchanges and connections with

chambers of commerce in Japan and South Korea, effectively share China's and Macao's stories, promote broader cooperation across multiple sectors through civil society efforts, drive Macao's moderate economic diversification, and help Macao build a higher-level platform for opening up to the world.

The Macao Chamber of Commerce and the Korea Chinese Chamber of Commerce & Industry meet for exchanges

韓國中總會長袁國棟歡迎澳門中總到訪並指出，目前韓國華僑除了經營餐館等傳統行業以外，大部分從事中韓貿易、成衣外銷、旅遊、醫藥等服務業。近年來，韓國華僑也積極參與和推動線上遊戲、影視娛樂、廣告、媒體和 IT 等新興知識產業的發展。韓國中總於二零零五年在首爾成功舉辦第八屆世界華商大會，藉此提高了韓國華商和華僑的社會與經濟地位，並吸引及推動更多來自世界各地的華商到韓國經商投資。他相信澳門中總舉辦二零二五年的世界華商大會，一定會為澳門帶來新商機。

Yuan Kuotung, Chairman of Korea Chinese chamber of commerce & industry welcomed the MCC delegation and pointed out that currently, besides operating traditional businesses such as restaurants, Korean overseas Chinese are mostly engaged in China-Korea trade, garment exports, tourism, medical services, and other service industries. In recent years, Korean overseas Chinese have also actively participated in and promoted the development of emerging industries such as online gaming, film and entertainment, advertising, media, and IT. The KCCCI successfully hosted the 8th WCEC in Seoul in 2005, which helped elevate the social and economic status of Korean Chinese entrepreneurs and overseas Chinese, and attracted more Chinese entrepreneurs from around the world to conduct business and invest in South Korea. He believes that the WCEC to be hosted by the MCC this year will certainly bring new business opportunities to Macao.

為深化粵澳合作、共促灣區發展，並推介由澳門中華總商會主辦的“第十八屆世界華商大會”，我會理事長馬志毅一行六人於二零二五四月二十三日赴廣州，先後拜訪廣東省貿促會及廣東省工商業聯合會，誠邀兩會組團參與盛會，以進一步凝聚華商力量，共同推動粵港澳大灣區建設。

當日上午，代表團首站拜訪廣東省貿促會，獲該會會長陳小鋒等熱情接待。陳小鋒充分肯定中總長期以來在促進粵澳經貿交流中的橋樑作用，強調省貿促會將全力支持第十八屆世界華商大會的舉辦。他指出，兩會合作基礎深厚，未來可在會展經濟、跨境商貿等領域深化協作，共同拓展國際投資與經貿合作，助力大灣區國際化發展進程。

馬志毅感謝陳小鋒百忙中抽空接待及設宴款待，並詳細介紹本屆大會的籌備進展與亮點。他表示，本屆大會將吸引全球逾四千名華商領袖聚首一堂，並以“共商共築華商命運共同體”為主題，彰

To deepen cooperation between Guangdong and Macao, promote the development of the Greater Bay Area, and introduce the “18th World Chinese Entrepreneurs Convention” organised by the Macao Chamber of Commerce, President of the Board of Directors Frederico Ma Chi Ngai led a six-member delegation to Guangzhou on April 23rd, 2025. They visited the China Council for the Promotion of International Trade Guangdong Committee (CCPIT Guangdong) and the ACFIC Guangdong, sincerely inviting both organisations to form delegations to participate in the convention. This aims to further unite the strength of Chinese entrepreneurs and jointly promote the construction of the Guangdong-Hong Kong-Macao Greater Bay Area.

顯全球華商團結互助、協同發展的核心理念。澳門作為連接中國內地與國際市場的重要樞紐，將充分發揮“一帶一路”建設中的獨特優勢，推動全球華商在更廣領域、更深層次實現互聯互通，攜手構建合作共贏新格局。他誠摯邀請省貿促會組團參會，並期待雙方加強聯動，為企業融入國家發展大局注入強勁動力。

下午，代表團拜訪了廣東省工商業聯合會，獲該會永遠會長陳凱旋、秘書長關向明等親切會見。陳凱旋高度讚揚澳門中總為推動粵港澳工商界合作所作的貢獻，強調澳門是廣東的“後花園”，粵澳兩地在經濟、社會、民生、文化等領域的合作密不可分。關向明表示，省工商聯和中總是兄弟團體，大家長久以來聯繫緊密。他承諾，省工商聯將積極響應號召，組織優質企業代表參會，攜手探索產業協同發展新路徑。

馬志毅感謝陳凱旋和關向明的熱情接待後表示，中總始終以服務國家戰略為己任，當前正全力配合特區政府“1+4”經濟適度多元發展策略。本屆大會特設專題論壇，聚焦綜合旅遊休閒業及大健康、現代金融、高新技術、會展商貿和文化體育四大新興產業，深入探討產業融合機遇。他強調，世界華商大會是展現澳門營商優勢、對接灣區資源的重要平台，冀通過大會進一步深化粵澳在四大重點領域的合作，為灣區高質量發展注入新動能。同時，中總將持續發揮“超級聯絡人”角色，為參會的華商精英搭建交流平台，推動產業對接與創新合作。

此次參訪成果豐碩，兩地商會就年度重大會議籌辦深入交流。省貿促會與省工商聯均承諾組建高規格代表團赴澳參會，並通過專題論壇、企業對接等活動深化務實合作。

會晤期間，馬志毅還介紹了澳門及中總的最新發展，雙方就相關議題交換意見。會後，中總分別與兩會合影留念，現場氣氛融洽，為第十八屆世界華商大會的順利舉辦奠定堅實基礎，為華商事業擘畫新藍圖。

In the morning, the delegation first visited CCPIT Guangdong and was warmly received by Chairman Chen Xiaofeng and others. Chen Xiaofeng fully affirmed the Macao Chamber of Commerce's long-standing role as a bridge in promoting economic and trade exchanges between Guangdong and Macao, and stressed that CCPIT Guangdong would make every effort to support the holding of the 18th World Chinese Entrepreneurs Convention. He pointed out that the two organisations have a solid foundation for cooperation, and in the future they could deepen collaboration in areas such as the convention and exhibition economy and cross-border trade, together expanding international investment and economic cooperation to help advance the internationalization of the Greater Bay Area.

Frederico Ma acknowledged President Chen for taking the time from his busy schedule to receive the delegation and host a banquet. He gave a detailed introduction on the progress and highlights of the convention's preparations. He introduced the event will attract more than 4,000 Chinese business leaders from around the world, under the theme "Working Together to Build a Community of Shared Future for Chinese Entrepreneurs," showcasing the core values of unity, mutual assistance, and collaborative development among global Chinese entrepreneurs. Macao, as an important hub connecting mainland China and international markets, will fully leverage its unique advantages in the "Belt and Road" initiative to promote broader and deeper interconnectivity among Chinese entrepreneurs worldwide and jointly create a new pattern of cooperation and mutual benefit. He sincerely invited CCPIT Guangdong to form a delegation to attend, and looked forward to strengthening linkage between both sides to inject strong momentum into enterprises integrating into the national development agenda.

In the afternoon, the delegation visited ACFIC Guangdong and was warmly welcomed by Honorary President Chen Kaixuan, Secretary-General Guan Xiangming, and others. Chen Kaixuan highly praised MCC's contributions to promoting cooperation between the business communities of Guangdong,

Hong Kong, and Macao, emphasizing that Macao is Guangdong's "backyard" and that cooperation between Guangdong and Macao is inseparable in the fields of economy, society, people's livelihoods, and culture. Guan Xiangming stated that the GFIC and MCC are brother organisations with long-standing close ties. He promised that GFIC would actively respond to the call, organize quality enterprise representatives to attend, and work together to explore new paths for industrial synergy.

After expressing gratitude for the warm reception from Chen Kaixuan and Guan Xiangming, Frederico Ma stated that the Chamber has always taken serving national strategies as its duty and is currently fully supporting the Macao SAR Government's "1+4" economic diversification development strategy. The

convention will feature thematic forums focusing on integrated tourism and leisure industries as well as four emerging industries: “big health”, modern finance, technology, convention and exhibition commerce, and cultural and sports sectors, exploring opportunities for industry integration in depth. He emphasized that the WCEC is an important platform to showcase Macao’s business advantages and connect with Greater Bay Area resources, and hoped the convention would further deepen Guangdong–Macao cooperation in the four key areas, injecting fresh impetus into the high-quality development of the Bay Area. At the same time, the Chamber will continue to play the role of “super connector” to build exchange platforms for participating Chinese business elites, fostering industry linkages and innovative cooperation.

The visit achieved fruitful results, with the two organisations engaging in in-depth exchanges on organising major annual conferences. Both CCPIT Guangdong and ACFIC Guangdong committed

to forming delegations to attend the convention in Macao, and to deepen pragmatic cooperation through thematic forums, business matching, and other activities.

During the meetings, Frederico Ma also introduced the latest developments of Macao and the Chamber, and both sides exchanged views on relevant topics. 密利拿莊園(葡萄牙)
QUINTA DA MARMELEIRA (PORTUGAL)

密利拿中葡國際旅行社
AGÊNCIA DE VIAGENS INTERNACIONAIS LUSO-CHINESA DA MARMELEIRA

密利拿莊園創辦人 伍志偉
Founder of Quinta da Marmeleira - Wu Zhiwei

伍志偉先生，密利拿莊園創辦人、澳門企業家，曾任澳門特別行政區第四、第五屆行政長官選舉委員會委員，中國安徽省第十、第十一、第十二屆政協委員、第十三屆政協常委，澳門中華總商會監事，北京對外經濟貿易大學第三屆校董，葡萄牙葡中工商會副主席、葡語國家共同體企業聯合會首位駐中國代表。

密利拿莊園坐落於葡萄牙阿倫克爾地區，始建於15世紀，曾為當地顯赫家族所有，歷史底蘊深厚。阿倫克爾“歐洲葡萄酒之都”是葡萄牙歷史悠久的法定葡萄酒產區(DOC)，以獨特風土和悠久釀酒傳統著稱。1948年，密利拿莊園曾迎接英國女王伊莉莎白二世到訪，女王的致謝信箋珍藏至今，象徵著莊園最榮耀的歷史時刻之一。2013年，伍志偉先生響應國家“一帶一路”倡儀，遠赴葡萄牙走遍大江南北，這位熱愛大自然與葡萄酒的探索者在阿倫克爾邂逅密利拿莊園，他匠心傳承釀造的每一瓶佳釀，不僅承載著葡萄牙這片古老土地的靈魂，更見證著中葡文化的交流與融合。密利拿莊園以葡萄酒為紐帶，同時以密利拿中葡國際旅行社為文化體驗，逐步成為中葡綠色深度遊的文化景點，並大力推動中、葡、西三國旅遊合作，助力提升粵港澳灣區和橫琴自貿區的國際影響力和文化旅遊產業發展。

Mr. Wu Zhiwei, founder of Quinta da Marmeleira in Portugal and a distinguished Macau entrepreneur, served as a member of the Macao Special Administrative Region's Fourth and Fifth Chief Executive Election Committees, as well as member of the 10th, 11th, and 12th Anhui Provincial Committee of the Chinese People's Political Consultative Conference (CPPCC). He was also a member of the Standing Committee of the 13th CPPCC. Mr. Wu Zhiwei also served as a Supervisor of the Macao Chinese Chamber of Commerce, was a member of the Third Board of Trustees of the University of International Business and Economics in Beijing, Vice Chairman of the Portugal-China Chamber of Commerce, and the first Representative to China of the Community of Portuguese-Speaking Countries (CPLP) Business Confederation.

Quinta da Marmeleira, located in Portugal's Alenquer region, steeped in history, was founded in the 15th century and was once owned by a prominent local family. Renowned for its unique terroir and rich winemaking tradition and known as the "European Wine Capital," Alenquer is a historic Designation of Origin (DOC) of wines in Portugal. In 1948, Quinta da Marmeleira welcomed Queen Elizabeth II of the United Kingdom to visit. The Queen's letter of thanks remains a treasured memory, symbolizing one of the estate's most glorious moments.

In 2013, responding to the nation's "Belt and Road" initiative, Mr. Wu Zhiwei traveled extensively in Portugal, where this nature-loving explorer and wine lover encountered Quinta da Marmeleira. Each bottle of his meticulously crafted wine not only carries the soul of this ancient Portuguese land but also bears witness to the exchange and integration of Chinese and Portuguese cultures. With wine as its bond and Agência de Viagens Internacionais Lusó-Chinesa da Marmeleira as its cultural experience, the estate has gradually become a cultural attraction for in-depth eco-friendly tourism between China and Portugal. The estate also actively promotes tourism cooperation among China, Portugal and Spain, contributing to the international influence and development of the cultural tourism industry in the Guangdong-Hong Kong-Macao Greater Bay Area and the Hengqin Free Trade Zone.

Xiamen International Bank Co., Ltd. (hereinafter referred to as “the Bank” or “XIB”), founded in 1985, underwent a full transformation from a limited liability company into a joint-stock company and was re-structured from a Sino-foreign joint venture bank into a Chinese-funded commercial bank in 2013. By 2024, XIB Group's total assets exceeded CNY 1.1 trillion, maintaining its position among the world' s top 200 banks for multiple consecutive years.

As the first urban commercial bank in China to establish and operate full-service subsidiary commercial banks in both Hong Kong and Macao, XIB has formed a strategic layout centered on mainland China, with Hong Kong and Macao serving as two wings in coordinated development. This cross-regional synergy enables seamless collaboration with its affiliated institutions in the two Special Administrative Regions. The Bank currently manages over 150 business outlets across Beijing, Shanghai, Guangzhou, Shenzhen, Zhuhai, Hangzhou, Xiamen, and eight other prefecture-level cities in Fujian Province, in addition to Hong Kong and Macao. Among its overseas affiliates, Luso International Bank (LIB) operates 14 branches in Macao and ranks among the leading local banks in key performance indicators. LIB has also extended its footprint into the mainland, with branches in Guangzhou and Hangzhou, and sub-branches in Dongguan, Foshan, Huizhou, and the Guangdong-Macao In-Depth Cooperation Zone in Hengqin. Chiyu Bank (CYB), another affiliated institution, was founded in 1943 by renowned patriotic overseas Chinese leader Mr. Tan Kah Kee. CYB currently operates 24 branches across Hong Kong, On the mainland, CYB has established seven branches in cities including Fuzhou, Xiamen, and Shenzhen.
